Moomoo NZ's parent company, Futu Holdings Limited (Nasdaq: FUTU), is backed by various strategic and venture capital investors including Tencent, Sequoia Capital, and Matrix Partners.

Moomoo NZ is a broker-dealer based in Sydney and licenses an online trading platform (**moomoo**) from an affiliated entity called Moomoo Technologies Inc.. The moomoo trading platform is free to download with no commitment to open a brokerage account. Our clients can use moomoo to apply to us for a brokerage account.

For further information on Moomoo NZ, you can refer to our website, <https://www.moomoo.com/nz>

## 2 | What financial services we offer

Moomoo NZ is authorized by our affiliated entity called Moomoo Technologies Inc., to be the operator of the moomoo trading platform in New Zealand. Under our FSPR Registration we are authorised to provide the following financial services in New Zealand:

- Changing foreign currency;
- Client money or property service – custodial, non-custodial, retail and wholesale;
- Keeping, investing, administering, or managing money, securities, or investment portfolios on behalf of other persons; and
- Trading financial products or foreign exchange on behalf of other persons – on licensed markets or otherwise.

We may provide general information in respect of financial products and services that can be dealt with through moomoo. This information does not take into account your personal financial situation, objectives or needs. Therefore, before acting on the information, you should consider the appropriateness of it having regard to your personal financial situation, objectives or needs.

We do not provide, and are not authorised to provide, financial advice (by definition given in relevant New Zealand laws). It is at your own discretion to decide whether or not you want to use our services. In the event that you need assistance or advice in this regard, you should consult a suitably qualified financial adviser.

Unless otherwise instructed by you at the time of completing your account opening application, each new account created by you through the Moomoo trading platform will be assigned an individual Holder Identification Number ("HIN") in the Clearing House Electronic Subregister System operated by ASX Settlement Pty Limited ("CHESS"). Any ASX-listed financial products you acquire through the account will be individually CHESS-sponsored and directly registered under your name. All execution, clearing and settlement services relating to ASX-listed financial products through the **CHESS-sponsored accounts** are provided by FinClear Execution Ltd, ABN 56 061 751 102, AFSL 246842.

For more information relating to the CHESS system, including its potential benefits, refer to ASX's factsheet: [https://www.asx.com.au/documents/research/chess\\_brochure.pdf](https://www.asx.com.au/documents/research/chess_brochure.pdf)

When you specifically provide us with instructions to create a **custodian account** for ASX products at the time of completing your account application, we will provide custodial and depository services (other than investor directed portfolio services) to you and will hold the financial products acquired by you on bare trust. Moomoo NZ has a custody arrangement with a third-party asset holder (otherwise referred to as a "sub-custodian"), under which the sub-custodian will hold legal title to financial products that you acquire. Under this arrangement, Moomoo NZ will hold the beneficial interest in your financial products on your behalf. Under a bare trust, the trustee that holds your financial products will only deal in those products in accordance with your instructions. This is known as a "Custodian Model" for holding financial products.
